

Course Approval Form

AE8135: Directed Studies

All Aerospace Engineering graduate students who take AE8135 for credit must have this form completed, approved with all required signatures and submitted to the Program Administrator **no later than** the last day to add courses for the term.

Student Name:		Student ID:		
Program Status:	PhD	MASc	Full-time MEng	Part-time MEng
Current Term:	Fall	Winter	Spring/Summer	Year: _____
Supervising Professor's Name *:				

The AE8135 Directed Studies provides various opportunities to pursue relevant topics approved by the course supervisor and thesis supervisor, including other specialization course topics that are not offered on a formal 'in-class' basis. This course normally involves the preparation of a substantial research paper.

You must attach a detailed course outline, which must include: ¹⁾ a title; ²⁾ a brief description; ³⁾ a list of objectives; ⁴⁾ reading materials and/or assignments; ⁵⁾ a bibliography, and; ⁶⁾ an evaluation schema with significant dates. Please provide a brief description below:

Final Report submission deadline (normally by the final week of the term): _____

	Signature	Date
Student:		
Supervising Professor:		
Program Director:		

* The supervising professor is normally the student's thesis supervisor; but can also be any other faculty member in the Aerospace Engineering graduate program who is a member of the Yeates School of Graduate and Postdoctoral Studies at Toronto Metropolitan University.
